THINK BESPOKE

FOUNDER

Karen Hollenbach is a leading Communication Strategy Consultant, Workshop Facilitator and LinkedIn Specialist. Working with individuals and organisations to develop better systems to attract, acquire and engage clients or future employers, Karen provides clients with practical strategies for rethinking their approach to business and career.

As the Founder of Think Bespoke, Karen provides a tailored approach for her clients, developing relevant tools and action plans for each individual and team through coaching, training and education to help improve business performance and overall happiness.

With a warm, friendly & down to earth approach that immediately disarms, challenges & creates new ways of thinking about a business, team or career, Karen's clients often refer to her as the 'LinkedIn Lady' and generous supporter of other experts in their field.

Formally trained with a Bachelor of Business, Marketing, Karen is a Registered Teacher with the VIT, a Certified Trainer and has extensive experience training high performance teams and facilitating formal business training programs.
